

JOHN WESLEY POWELL AWARDEES

- 1971 George R. Shanklin, retired Director of Division of Water Policy and Supply, State of New Jersey (State and Local Government). Sponsored by Water Resources Division.
- Raymond J. Heringer, Director of the work experience program at Ravenswood High School, East Palo Alto, California (Private Citizen). Sponsored by Administrative Division.
- 1972 Wallace W. Hagan, Director and State Geologist, Kentucky Geological Survey (State and Local Government). Sponsored by Geologic Division.
- C.R. Baskin, Chief Engineer, Texas Water Development Board (State and Local Government). Sponsored by Topographic Division.
- L.J. (Bud) Maher, Assistant Publisher, Huron Daily Plainsman, Huron, South Dakota (Private Citizen). Sponsored by Water Resources Division.
- 1976 David M. Evans, Geologic Engineer from Colorado School of Mines (Industry). Sponsored by Water Resources Division.
- R.S. "Rock" Howard, Executive Secretary of Georgia Water Quality Control Board (State and Local Government). Sponsored by Water Resources Division.
- Susanne B. Wilson, Councilwoman of City of San Jose, California (Private Citizen). Sponsored by Geologic Division.
- Dr. Clarence J. Velz, Professor Emeritus, University of Michigan (Academia). Sponsored by Water Resources Division.
- 1978 John P. Snyder, privately-employed chemical engineer, Madison, New Jersey (Private Citizen). Sponsored by Topographic Division.
- 1981 Professor Thomas H. Pigford, University of California (Academia). Sponsored by Geologic Division.
- Kazutaka Saiki (State and Local Government). Sponsored by National Mapping Division.
- 1983 S.L. Groff, Montana Bureau of Mines and Geology, Butte, Montana (State and Local Government). Sponsored by Water Resources Division.
- 1986 Abel Wolman, Emeritus Professor, John Hopkins University, Baltimore, Maryland School of Engineering and School of Hygiene and Public Health (Academia). Sponsored by Water Resources Division.

Stephen E. Reynolds, New Mexico State Engineer (State and Local Government). Sponsored by Water Resources Division.

1988 Dr. Hugo F. Thomas, Director and State Geologist, Department of Environmental Protection, Hartford, Connecticut (State and Local Government). Sponsored by Information Systems Division.

John McPhee (Private Citizen). Sponsored by Water Resources Division.

Dr. Harold Moellering, Ohio State University, Columbus, Ohio (Academia). Sponsored by National Mapping Division.

1989 Dr. M. Gordon Wolman, Chairman, Department of Geography and Environmental Engineering, John Hopkins University, Baltimore, Maryland (Academia). Sponsored by Water Resources Division.

Duane M. Hamann, San Miguel, California (Private Citizen). Sponsored by Geologic Division.

1990 Genevieve Atwood, Director/State Geologist for Utah (State and Local Government). Sponsored by Geologic Division.

Walter S. Sullivan, Science Editor for the New York Times (Private Citizen). Sponsored by Office of the Director.

Glass Instruments, Inc. (Industry). Sponsored by Geologic Division.

1991 Michael T. Halbouty (Private Citizen). Sponsored by Geologic Division.

Dr. Lynn R. Sykes, Columbia University (Academia). Sponsored by Geologic Division.

Paleontology Team, Unocal Corporation's North America Oil and Gas Division, Ventura, California (Industry). Sponsored by Geologic Division.

1992 A. Ivan Johnson (Private Citizen). Sponsored by Water Resources Division.

Professor Carl Kisslinger, University of Colorado (Academia). Sponsored by Geologic Division.

Ray A. Miller, Idaho State Mapping Advisory Committee and Idaho Geographic Information Advisory Committee (State and Local Government). Sponsored by National Mapping Division.

- 1993 Dr. James F. Pankow, Department of Environmental Science and Engineering, Oregon Graduate Institute of Science and Technology (Academia). Sponsored by Water Resources Division.
- InterNetwork Inc. (Industry). Sponsored by Information Systems Division.
- California Department of Transportation (State and Local Government). Sponsored by Geologic Division.
- 1994 Susan Seacrest, President of the Groundwater Foundation (Private Citizen). Sponsored by Water Resources Division.
- William R. Walker, Virginia Water Resources Research Center and Virginia Polytechnic Institute and State University (Academia). Sponsored by Water Resources Division.
- Dr. Kenneth N. Weaver, Maryland Geological Survey (State and Local Government). Sponsored by Water Resources Division.
- 1995 Dr. George M. Hornberger, Department of Environmental Science, University of Virginia (Academia). Sponsored by Water Resources Division.
- Alfred H. Vang, Deputy Director, South Carolina Department of Natural Resources (State and Local Government). Sponsored by Water Resources Division.
- 1996 W. Jacquelyn Kious (Private Citizen). Sponsored by Geologic Division.
- Nancy L. Parke (Societies and Associations). Sponsored by Geologic Division.
- Jack Dangermond, Environmental Systems Research Institute (Industry). Sponsored by Water Resources Division.
- Tri-County Regional Planning Commission (State and Local Government). Sponsored by Water Resources Division.
- 1997 Dr. James Merchant, Associate Professor, University of Nebraska-Lincoln, (Educational Institution). Sponsored by National Mapping Division.
- James M. Harrison, Minnesota-Wisconsin Boundary Area Commission (State and Local Government). Sponsored by Biological Resources Division.
- National Stone Association (Societies and Associations). Sponsored by Geologic Division.

Lawrence E. Callender (Private Citizen). Sponsored by Water Resources Division.

1998 Dr. Samuel S. Adams (Private Citizen). Sponsored by Geologic Division.

Richard Burton, Monroe County Department of Health, Monroe County Environmental Health Lab (State and Local Government). Sponsored by Water Resources Division.

Paul Deshler, Northern Arizona University (Educational Institution). Sponsored by Office of Director.

Garruba, Dennis, Konetzka (Industry). Sponsored by Office of Director.

1999 California Division of Mines and Geology, California Department of Conservation (State and Local Government). Sponsored by Geologic Division.

George A. Thompson, Department of Geophysics, Stanford University, Stanford, California (Private Citizen). Sponsored by Geologic Division.

Harlan Tucker, Executive Director, The Friends of the Patuxent Wildlife Research Center, Inc. (Societies and Associations). Sponsored by Biological Resources Division.

2000 Lloyd S. Cluff, Manager, Geosciences Department, Pacific Gas & Electric Company, San Francisco, California (Private Citizen). Sponsored by Geologic Division.

Susan Carson Lambert, Director, Kentucky Office of Geographic Information, Frankfort, Kentucky (State and Local Government). Sponsored by National Mapping Division.

Dr. James N. Gray, Senior Researcher and Manager, Microsoft Bay Area Research Center, San Francisco, California (Industry). Sponsored by National Mapping Division.

Thomas D. Barclay, Lead Developer, Microsoft Bay Area Research Center, San Francisco, California (Industry). Sponsored by National Mapping Division.

2001 Dr. Emery T. Cleaves, Director, Maryland Geological Survey, Baltimore, Maryland (State and Local Government). Sponsored by Water Resources Division.

Robert Dean, Vantage Point Productions, LLC, Los Angeles, California (Industry). Sponsored by Geologic Division.

Captain Edward K. Miller, Senior Pilot (retired), Airlines Pilots Association (Private Citizen). Sponsored by Geologic Division.

Dr. Paul “Ty” Ferre, Assistant Professor, Department of Hydrology and Water Resources, Tucson, Arizona (Academia). Sponsored by Water Resources Division.

2003 Dr. William J. Plant, Applied Physics Laboratory, University of Washington, Seattle, Washington (Educational Institution). Sponsored by the Water Resources Discipline.

American Geological Institute, Government Affairs Program, Alexandria, Virginia (Societies and Associations). Sponsored by the Associate Director, Eastern Region.

Delaware Data Mapping and Integration laboratory (DataMIL), University of Delaware, Newark, Delaware (State and Local Government). Sponsored by the Associate Director, Eastern Region.

2004 Dr. Gerald E. Galloway, Titan Corporation, Vice President, Enterprise Engineering Group, Reston, Virginia (Industry). Sponsored by the Associate Director, Geography, Reston, Virginia.

Dr. Dennis Helder, Department of Electrical Engineering and Computer Science, South Dakota State University, Brookings, South Dakota (Educational Institution). Sponsored by the Deputy Chief, EROS Data Center, Sioux Falls, South Dakota.

David Perlman, Science Editor, The San Francisco Chronicle, San Francisco, California (Private Citizens/Groups/Organizations). Sponsored by the Office of Communications, Menlo Park, California.

Ian Von Essen, Spokane County Information Systems, Spokane, Washington (State and Local Government). Sponsored by the Northwest Geographic Science Team, Seattle, Washington.

2005 Dr. Keith C. Clarke, University of California, Santa Barbara (Educational Institution). Sponsored by the Associate Director, Geography.

Dr. William L. Graf, University of South Carolina (Educational Institution). Sponsored by the Associate Director, Geography.

Larry A. Larson, Association of State Floodplain Managers (Societies and Associations). Sponsored by the Associate Director, Water.

USGS Coalition, (Robert Gropp, American Institute of Biological Sciences; Linda Rowan, American Geological Institute; Craig Schiffries, National Council for Science and the Environment), Private Citizens/Groups/Organizations. Sponsored by the Chief, Office of Communication.

2006

Dr. Samuel Goward, Department of Geography, University of Maryland (Educational Institution). Sponsored by Associate Director, Geography.

Illinois Department of Natural Resources – Office of Water Resources (State and Local Government). Sponsored by Regional Director, Eastern Region.
